**Jon Gray : Complete Guide to Beauty Glamor Photography** before purchasing it in order to gage whether or not it would be worth my time, and all praised Complete Guide to Beauty Glamor Photography:

Learn how to take great beauty and glamour shots with this practical guide from professional photographer and teacher, Jon Gray. Beauty and glamour photographs require the same technical skills as any other area of portraiture strong compositions, competent use of lighting, an awareness of how to pose your model to the best effect. The best shots also demonstrate a creative flair on the part of the photographer that goes way beyond mere titillation. In this beautifully illustrated guide, Jon Gray explores both the techniques and the aesthetics of his subject creating a book that is both informative and a joy to look at. Covering everything from easy-to-replicate studio poses and lighting set-ups to exotic location work, Beauty and Glamour Photography is guaranteed to give your photography that all-

important creative edge. Jon Gray has been a professional photographer for 25 years. He specializes in glamour, beauty, fashion and advertising photography and numbers Vogue, Armani and Gucci among his clients. He teaches fashion and advertising photography at the American University in London and presents workshops for Bowens lighting, Mamiya cameras, Lastolite, and Fuji film. He also gives lectures and workshops to professional organizations, colleges and universities in both the UK and the USA. Jon lives in London.
