**Hal Torrance : Connecting Art to Mathematics: Activities for the Right Brain** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Connecting Art to Mathematics: Activities for the Right Brain:

This innovative approach uses fun art activities to teach broad math concepts. Recommended for grades 4-8. About the author: Hal Torrance has worked as a teacher in a variety of settings. In 1997 he began writing articles, books, and testing materials for educational publishers, eventually authoring over two dozen titles. He now publishes his own line of books for the education market.
