0 of 0 people found the following review helpful. very unhappyBy Patricia TumblisonI would return this item if I could, as it has language in it that is inappropriate for my 8-year old grandson. However, he just now started reading it as he was reading a boxed set of minecraft books, and it went passed the allotted time period for me to return it. I am very unhappy with this item. I would have given it less then 1-star, but that is the lowest I could pick.0 of 0 people found the following review helpful. Inappropriate and poorly writtenBy Scott cavinAs stated in other reviews, this book has language that is definitely inappropriate for young children. My 8 year old son loved the books, but they are poorly written, with many spelling and grammatical errors throughout, in addition to the inappropriate language. I am sure there are better options out there for elementary school-aged children who like Minecraft.
