I am trying to learn enough so my son doesn't just shake his head at me.0 of 0 people found the following review helpful. Minecraft guide helps even kids who don't like to readBy KathiMy grandson is a Minecraft fanatic and loves this book. He didn't like to read. That changed with this book. He has read it over and over, countless times.0 of 0

* Everything you need to know about crafting. *With Crafting being one of the most important functions of mine craft, new players often get confused since you have to follow simple recipes to create tools and other items that ensure survival. This e-book is created specifically to help guide you through the crafting process. * Learn how to craft weapons to decorative items. (Also includes a guide to crafting using redstone)
