Entertaining for Minecraft fansBy MitchI love playing games, but never really understood the craze about Minecraft till I tried it for the first time couple weeks ago now I love the game. This is a story but I was still able to learn some strategies from reading the story. I like how this story was written it was a fun reading to follow the adventures of Aron and his crew.

Join me in my adventure as a Minecraft Iron Golem Hey friend, its Aron and in this story I will be traveling with Daniel, Jenna, and my new friend Allen to go and get the potion needed to cure our village. A sickness has spread since we got back with the medicine needed for Jennas brother, Daniel. We dont know what its from, but Grim has sent us off back to the Enchanters village to try and find a cure. Well be passing through, and I just hope Martin can help us. I hope Erin and Mary can help us, but I have to think positively. Join us as we try to save our village once more.
