1 of 1 people found the following review helpful. Not Minecraft!!!! Look else where!!!By RaymondIf you're not paying attention, especially on the Kindle. You end up paying for something that you think is the video game and instead get "download" instructions on how to buy the video game. This is deceptive marketing pure and simple, if you're looking for Minecraft this is not it!!!0 of 0 people found the following review helpful. Great gameBy CustomerMy son loves this game. He couldn't be happier with it. He loves being able to build things and the varying environments that are within the game.2 of 2 people found the following review helpful. not the gameBy MandyIt my fault for not reading but I actually was trying to get the game. My daughter, who is seven, wanted me to get the game installed on my phone. FYI not the game
