mechanically from some other language. In places it is impossible to decode. Why does the part about horse armor use several alternative phrases such as "stallion protection"? There are some useful tips. One of those is restated multiple times. I'm glad I only borrowed this from my library. I'm sorry they pay for the service that provides it. I'm sorry I tried to read it to my son. 0 of 0 people found the following review helpful. HngghjjjjklklkBy LiamIt was really short and dull I do not recommend it to anybody that has read multiple good minecraft books

A jungle temple is composed primarily of a mossy-cobblestone, a rare building block. This temple has two floors and a basement: The top floor is a balcony and the bottom floor holds the empty main room. The basement contains tripwire traps and a couple of secrets. Two treasure chests can be found in a jungle temple. You can find one in the basement and the other beneath a secret passage on the first floor...
