This is a great book for new minecraft players like myself. This book provides a comprehensive overview of the game of Minecraft . Included are lists of potions which are used in the game and can provide benefits to the player. The guide also goes into describing the many evil enemies that you will face within the game and how to defeat them. It was a invaluable read for myself. I highly recommend new minecraft players to get a hold of this book.

By Tim Clerk  
This book is definitely speaking to the people out there that have some Minecraft experience. Have you been stuck trying to get something right in the game but just couldn't find the right way? You will probably find the answer in this book filled with different mods for the game. Some require more skill and some script writing, but others is simply plug and play. This is guaranteed to improve your gaming experience taking your skills to the next level.
