It gives you tips and techniques how to maximize the use of these Minecraft stuffs to help with mining and thus give you a better Minecraft game. This book also comes in different language translations which Minecraft lovers from different parts of the world may read and understand. 0 of 0 people found the following review helpful. Modify everything to your taste By Larrison Speed This will act as my guide in the potions and enchantments as am playing my Minecraft games, the most important issue is that its simple and well organized so the simplicity will help almost every one to understand the plot and act accordingly. Take the modifications you desire in your hands and make that ultimate game you want. 0 of 0 people found the following review helpful. cool minecraft! By Tommy Thomas I like this new minecraft guide. This is cool I update myself from time to time to upgrade my minecraft and at the same time the secret to be discover. I am starting to be addicted to this game. I am excited to try the new learnings from I learn from this book on the real track. This is cool!

Put a little magic back into your Minecraft experience. With enchanting, mining the right stones, and making sure that you have a brewery that will set you up with every potion you need, having fun in the Minecraft world becomes a little

easier. You'll learn how to combine enchantments, brew potions, and even modify everything to make it a little more powerful. There's no reason to settle for basic potions or enchantments when you can take it to the next level. Here is a preview of what you'll learn....

- How to brew basic potions, as well as modified ones
- How to perform basic and modified enchantments
- How to build an enchanting room
- How to build a brewing room
- What to use potions and enchantments for

Much, much more!
