It was smaller than I expected and written a little above his level, bit being a MINECRAFT fanatic he appreciated it.0 of 0 people found the following review helpful. purchased as giftBy Deburchased this item as a gift for grandson. I have no opinion one way or another. Do not like the concept of the game.0 of 0 people found the following review helpful. Straight A'sBy Michael CootsMy nephew loves this game. He had gotten all A's on his report card, so this was my reward to him.
