Minecraft Books, Minecraft Books Paperback, Minecraft Books For Kids : Minecraft: Ultimate Book of Secrets: Unbelievable Minecraft Secrets You Couldn't Imagine Before! before purchasing it in order to gage whether or not it would be worth my time, and all praised Minecraft: Ultimate Book of Secrets: Unbelievable Minecraft Secrets You Couldn't Imagine Before!:

1 of 1 people found the following review helpful. I was surprised when I opened it to find something that looks like it was run off on a home copier (in ...By MarshBought this as a gift for a 9 year old. I was surprised when I opened it to find something that looks like it was run off on a home copier (in black and white) with brief captions done on on a computer. Very elementary. I went to the book store and bought two beautiful, hard back books with glorious easy to see pictures with good explanations for just a little more. This book was a huge disappointment. Maybe it was written for a 5 year old. Keep looking. I do NOT know why this is a top seller. Maybe others feel as I do: I should return it, but it isn't worth the hassle.0 of 0 people found the following review helpful. it's okay, but there wasn't really anything "new" to read about.By Tim PorterfieldIt was a decent book, but a lot of the "secrets" were pretty much common knowledge to most Minecraft players. Still, fun to read through if you're a little rusty with the game.1 of 1 people found the following review helpful. Unimpressively lazyBy Paul AbreschItems came quickly, although with Prime, its expected. Im not quite sure what other customers criteria is for their reviews of this guide book. I found much of it to be a waste of paper with limited information, all in black and white. Most of it is quarter filled pages with a lazy black and white picture. Accompanied by a single sentence caption with the name of the complicated structure in the photo. Approximately, the second half has unimpressive directions for building some various "structures".

#1 Amazon Best Seller This Minecraft ULTIMATE Book of Secrets designed to help you discover secrets you couldn't imagine before! Become a pro in Minecraft! Master your game right now! * Extremely easy to read! * Tons of secrets! * Explore Minecraft features you never knew about! All-in-one secrets book, 2014.
