Great Guide for all playersBy MoeI have been playing minecraft for a while now and i am happy to say this ebook is a guide that I am very happy i found. I needed some tips to help me progress further in minecraft. I had all the basics covered but this guide takes you deeper and gives you much more information that you wont find elsewhere. Great for intermediate to advanced players. If beginners get a hold of this you will get a shortcut to the top.0 of 0 people found the following review helpful. 5/5By Shaun SinghThis book is perfect for the regular beginner, or an advanced player on minecraft. It really teaches you great things and new secrets that will help you advance in the game.0 of 0 people found the following review helpful. Five StarsBy Solucky77My 9

year old son loved this book.

One of the most popular video games of all time, Minecraft has become a global craze thanks to nearly 40 million registered users worldwide across all platforms. In *Minecrafter 2.0 Advanced*, those who mastered the basics laid out in the first *Minecrafter* strategy guide now find tips on more complex areas of game play, including Redstone circuitry and other inventions, and advice for beating "The End." This must-have guide for even the most advanced of experts includes the game's latest innovations and features 100 color images.
