From Welcome Rain Publishers : Miss Fisher's Murder Mysteries 2016 Calendar before purchasing it in order to gage whether or not it would be worth my time, and all praised Miss Fisher's Murder Mysteries 2016 Calendar:

Essie Davis, playing Miss Phryne Fisher, exemplifies the stylized glamour of the series, set in jazz era Australia. This calendar captures her most beautiful poses, as well as the gorgeous environment she inhabits. Her talented co-stars Nathan Page, Ashleigh Cummings, and others, all enlighten other beautiful stills in this calendar which will brighten the year throughout 2016. 6 of 6 people found the following review helpful. Great Photos Chosen! By Heather B. I love the show and Phryne and this calendar is adorable. I like the pictures they chose for inclusion; the group shots are especially endearing. High quality photos, standard wall calendar size. It will certainly make me smile every time I look at it. 2 of 2 people found the following review helpful. Beautiful Pics of Wonderful Capers! By Evening Iris I'm a Phryne Fisher fan. She belongs in the gallery with Miss Marple and Hercule Poirot as a master sleuth! I got this calendar to track my very hectic life and I'm enjoying it immensely. The photos are beautiful and show the various cast members from Jack Robinson, to Dot, to Hugh, to Bert and Cec, to Aunt Pru and Mr. B., this calendar will remind you of the wonderful capers and midnight creeping around that we all love so well.

Always fashionable, outrageously glamorous, and packing a pearl-handled pistol, Phryne Fisher of Miss Fishers Murder Mysteries solves murders, fights injustice, and harbors the innocent as she charms good guys and bad in 1920s

Melbourne. Based on Kerry Greenwoods best-selling mysteries, the hit Australian TV series features authentic period details and fashions, and its charismatic heroine Phryne (played by Essie Davis) is a liberated woman, unmarried by choice, and as comfortable in high society as she is flying an airplane. She often finds herself confronted with crimes related to social issues and, helped by Detective Jack Robinson (Nathan Page), Constable Hugh Collins (Hugo Johnstone-Burt), her young companion Dot Williams (Ashleigh Cummings), and others in her circle, Miss Fisher saves the day with a flair for fun, sexual innuendo, and droll dialogue, such as I do approve of a man who can fight and still maintain his sartorial elegance. Created by Deb Cox and Fiona Eagger of Every Cloud Productions with input from author Kerry Greenwood, the series has aired a third season in Australia. Fans cheer its perfectly realized characters, its meticulous re-creations of 1920s Melbourne locales, and restored vintage cars and other vehicles, especially Phrynes Hispano Suiza. Costume designer Marion Boyce and her team have succeeded brilliantly in creating more than 120 costumes for the series, especially the clothes and coordinating hats and headpieces that fit Miss Fishers irrepressible, fluid style.
