All the great things about the show and it is here each month!By Love to readMiss Fisher's Murder Mysteries and one of the top shows on television (or it was, fingers crossed they bring it back for another season, come on Aussies!) and this calendar is the one out of every calendar that I could put on my wall (Vampire Diaries, Wolves, Fluffy Cows, old classic cars, castles... on and on the list goes) and I am not disappointed! The beautiful clothes, the terrific characters! This calendar will keep me smiling with each new month. Only thing better would be a quote each month from the show. Or EACH WEEK :-D or ANOTHER SEASON.... For that person in your life that loves/loved the show this is a fantastic gift and Christmas is right around the corner. Just saying.2 of 2 people found the following review helpful. Back by popular demand, this second Miss Fisher Murder Mysteries Calendar features the always fashionable and glamorous Miss Phryne Fisher, whopacking a pearl-handled pistolsolves murders, fights injustice, and harbors the innocent as she charms good guys and bad in 1920s Melbourne. Based on Kerry Greenwood's best-selling mysteries,

and featuring authentic period details and fashions, its charismatic heroine Phryne (played by Essie Davis) is a liberated woman, unmarried by choice, and as comfortable in high society as she is flying an airplane. She often finds herself confronted with crimes related to social issues and, helped by Detective Jack Robinson (Nathan Page), Constable Hugh Collins (Hugo Johnstone-Burt), her young companion Dot Williams (Ashleigh Cummings), and others in her circle, Miss Fisher saves the day with a flair for fun, sexual innuendo, and droll dialogue, such as I do approve of a man who can fight and still maintain his sartorial elegance.

About the Author Created by Deb Cox and Fiona Eagger of Every Cloud Productions, with input from author Kerry Greenwood, Miss Fisher is currently airing on PBS stations in the U.S. and Canada (and 120 countries). Every Cloud is based in Australia.
