Mr. John A. Ruff : Missing Links: An Official Mensa Dropout's Book of Quirky Puzzles before purchasing it in order to gauge whether or not it would be worth my time, and all praised Missing Links: An Official Mensa Dropout's Book of Quirky Puzzles:

3 of 3 people found the following review helpful. If you like Games Magazine...By SLRVH I've completed several puzzles in this book and I have found them entertaining and satisfying. I appreciate the different levels of difficulty and I think that they can be quite fun to complete with friends and family. Though the puzzles may not be for everyone, those drawn to witty brain games that pull from pop culture and history will certainly find fun here.

Missing Links is a collection of 60 quirky puzzles that challenge a player's memory, reasoning, and perspicacity in an assortment of areas. The puzzles cover topics including music, television, sports, literature, history, pop culture, movies, science, mathematics, religion, and general knowledge. These puzzles can be solved by an individual or groups of people in various settings.
