The pieces are colorful and attention-grabbing, and she's already doing great at finding matching pieces.0 of 0 people found the following review helpful. Over the years our children and now grandchildren love to play The Matching GameBy PattyGOver the years our children and now grandchildren love to play The Matching Game. This is in an adorable format...matching colorful socks.0 of 0 people found the following review helpful. Adorable!By Joanne VSuch a cute game! This was my go to gift this year for a lot of my son's friends.

Ah, the perennial post-laundry problem: Where is that missing sock? Unlike doomed pairs that go into the laundry only to return from tumble dry solo, this entertaining game keeps the pairs intact, allowing young players to match socks adorned with cute animals, eye-catching patterns, and other colorful surprises! Kids will delight in uncovering the missing socks while building memory, concentration, and matching skills. And parents will delight in all those pairs of socks perfectly matched, at last!
