By B CI bought this as a Christmas gift for my 14yr old granddaughter who has been dancing for 12yrs. She loves the books, the photographs and the overall experiences Misty went thru to become who she is today. The calendar is beautiful and my granddaughter couldn't have been more pleased. Thank you! 1 of 1 people found the following review helpful. Beautiful, needs sturdier holes to prevent tearing. By JEFR Beautiful photos. Grommet holes for hanging without tearing would make it almost perfect. 2 of 2 people found the following review helpful. Misty Copeland. By Michele I love this calendar! Misty Copeland is amazing

Speaking of Misty Copeland, Wendy Perron, an author and former editor of Dance Magazine, said "We haven't had a ballet dancer who has broken through to popular culture like this since Mikhail Baryshnikov." Few would dispute her, considering that American Ballet Theatre named Misty as its first African-American principal ballerina, New Line Cinema optioned her New York Times best-selling memoir *Life in Motion* for a movie, and the 2015 Tribeca Film Festival closed with *A Ballerina's Tale*, the feature documentary about her. Add to that her presence in mainstream

publications, television ads, and fashion campaigns, and it's easy to see why this remarkable woman of humble beginnings is so inspirational. This amazing calendar, featuring Richard Corman's beautiful photographs from his book *Misty Copeland: Power and Grace* and Misty's own stirring and impassioned quotes, will encourage young people everywhere to believe in themselves.
