Jim Chevallier : Monologues for Teens and Twenties: Second Edition before purchasing it in order to gage whether or not it would be worth my time, and all praised Monologues for Teens and Twenties: Second Edition:

0 of 0 people found the following review helpful. Lots of swearing and crude languageBy PoquelinIf I could give this book a zero star rating, I would. The "author" clearly has a very limited vocabulary that he needs to make every single character have such a foul mouth - could he not come up with other words? I don't know if he finds teens/ young adults use foul language "cute", but I find it appalling and not suitable for use, especially for the age group the book

targets. The monologues are also all original, not one is from a play, making it unsuitable for use if you are looking for something with character background. It should be marketed as original monologues with a PG for language. 1 of 1 people found the following review helpful. Just ok By Customer They were mostly just made up monologues and we were looking for excerpts from actual plays, also the comedic ones weren't that funny. 0 of 1 people found the following review helpful. Monologues for Teens and Twenties By Melly Sandy Alvarez I like this monologue book it has so many different monologues to choose from. I do recommend to anyone to buy!

A collection of monologues for young adults from their teens to their twenties, organized by age group and gender. Monologues from this collection have been included in two other anthologies. This second edition includes revised versions of two monologues as well as three additional monologues.

About the Author Soap opera fans may recall Jim Chevallier from the opening week of NBC's "Passions", in which he played a French doctor. Now a writer and an actor, he spent years in the music business, hosting radio shows in the Boston-Cambridge area (WCAS, WBUR and WBZ-FM) and performing original songs in clubs and festivals across New England and Europe. His photographs of the winemakers of Chablis have been published in "The Wines of Chablis and the Yonne" by Rosemary George.
