Baxter Excellent book for the western enthusiast. was a little disappointed that posters were not full page but guess I'm being a bit picky. No text apart from the introduction, many memories came flooding back of favourites such as Charles Starrett, Allan Lane, Roy Rogers, Gene Autry etc. These books will end up collectors items so strike while the iron is hot. 0 of 0 people found the following review helpful. Five Stars By Oli Coimbra Great acquisition. Unforgettable posters. 0 of 0 people found the following review helpful. The Colorful West By DAVID LOCKETT More Cowboy Movie Posters is a fabulous art

book and truly invaluable, offering the highest quality images from good and bad westerns. As someone who collects western posters, I have used this book as an important aid to purchasing posters illustrated within. Without such a quality reference I would have needed to peruse a stack of catalogs to find the same amount of images. For the non collector movie buff, the book is equally a delight and tremendous value at the low price.

The posters shown and described here range from silent films to 1990s Westerns. They include A Warri...
