Marion Short : More Gold in Your Piano Bench: Collectible Sheet Music--Inventions, Wars, Disasters (Schiffer Book for Collectors) before purchasing it in order to gage whether or not it would be worth my time, and all praised More Gold in Your Piano Bench: Collectible Sheet Music--Inventions, Wars, Disasters (Schiffer Book for Collectors):

0 of 0 people found the following review helpful. Great for Music LoversBy CustomerGreat for the lover of music and sheet music especially, it made a big hit for Xmas. History lovers will also find it interesting.0 of 0 people found the following review helpful. Where music and art collide on paper and invade the mind with it's intrigue and delight.By Craig JudeA travel worth taking. Yesteryear relived. An art forgotten in this high tech selfish world. Where music and art collide on paper and invade the mind with it's intrigue and delight.0 of 0 people found the following review helpful.

Five StarsBy Elias CohenFirst rate book for the hobbyist!

An exciting new book from Marion Short about collectible sheet music, this second volume includes lots of new categories. Learn about the music that provided background to America's communication, transportation, wars, and news events. Marion's entertaining and incisive writing style is accompanied by more than 500 color photographs of historical sheet music, each captioned and priced. Not just an attractive coffee table book, this compilation is a record of America's history and growth as told by tunes. Her first book, *The Gold in Your Piano Bench*, has received wide acclaim.

About the AuthorMarion Short is an enthusiastic collector of old sheet music, as well as a writer and composer, whose current collection includes more than 16,000 pieces encompassing 150 years of published sheet music. Marion and her husband, retired Navy Commander Roy Short, live in California.
