would take the time to read and re-read this book. For a newbie to biblical/liturgical dance, it was an in-depth, spirit tapping experience to learn yet another way God has designed us to worship him as well as minister to others. Its about discovering your gift and if this is what God has called you to. A very helpful and insight full guide to understanding how powerful dance is, and how to be obedient to God's requirement to honor the use and treatment of the body.2 of 2 people found the following review helpful. Stephanie Butler for giving incite on the art of Liturgical Dance. This book touched me in so many ways, and it forced me to examine myself. I now push to please God with my life so that I can be used for His glory. Thank You.0 of 0 people found the following review helpful. AWESOME!!By mrsdeeAWESOME!!! This is a book that I pick up over and over again. I always make sure that with each military move, it is not packed but in my bag with me. It helps me stay grounded along with my bible.
