By Noinod5 My 10 year-old daughter is a devoted Irish dancer at the preliminary champ level. She was very excited to get this book for Christmas, and writes in it every day. It allows her to document her practices, to formulate her goals and document her successes, and also keeps track of doing her homework and chores. Excellent book for any dedicated Irish dancer.

Wonderful journal!  
By J. Graves This journal is wonderful. My 8 year old enjoys keeping track of her practice schedule and her results at each feis. I like the section where she can keep track of getting her homework done. It's a great journal. It's a must for every Irish Dancer!

THE CALENDAR YEAR VERSION (JANUARY THROUGH DECEMBER) IS EXPANDED AND IMPROVED WITH THE RELEASE OF THE SECOND EDITION!  
Irish Dancers are a unique breed. Even at the most elite levels, they are involved students at school, accomplished musicians, leaders, community volunteers and exceptional athletes. It is imperative that they understand how much time they are devoting to their many activities, and how much time they are devoting to honing their craft of Irish Dance. Organized by the months of the calendar year, this journal allows dancers to track the time they have spent practicing and pursuing their goals, and also allows them to record their Feis results and goals. Dancers are encouraged to share this journal with their teacher, to document their progress and to review their growth as an Irish Dancer throughout the year. This second edition reflects expansions and changes requested by Irish Dance teachers worldwide, including expanding the "class notes" section, and modifying the time tracking sections. The author welcomes comments and suggestions, and endeavors to incorporate improvements.  
Created by a certified Irish Dance teacher and adjudicator, the author began her Irish Dance studies in 1969 with one of the most pre-eminent figures in Irish Dance in the United States, and continued to study with him until the early 1980's.
