Now that the game has been updated for Windows 10, having the manual again can be very helpful. I am really glad it was still available... and in excellent condition! 0 of 0 people found the following review helpful. Great Book!! By Robert E. Peterson Been wanting to finish this game for years!! Great book!! 0 of 0 people found the following review helpful. Great fun. I love these old games By Charles Morris Great fun. I love these old games. I wish that they would update the software so that it would play on windows 8. I play it on a

virtual machine. Other than that, it is everything that it was advertised to be, and was delivered on time.
