From S E Wilmer : National Theatres in a Changing Europe (Studies in International Performance) before purchasing it in order to gage whether or not it would be worth my time, and all praised National Theatres in a

Changing Europe (Studies in International Performance):

Examining the ways in which national theatres have formed and evolved over time, this new collection highlights the difficulties these institutions encounter today, in an environment where nationalism and national identity are increasingly contested by global, transnational and local agendas, and where economic forces create conflicting demands.
