Lawrence E Hillman : Nature Puzzlers before purchasing it in order to gage whether or not it would be worth my time, and all praised Nature Puzzlers:

Puzzling anecdotes from the real world of nature are dramatized in a short, easy-to-read format and used to encourage critical-thinking skills. Various applications can be employed to guide students through the problem-solving experience, from discussion to creative writing to library research skills. A teacher's key, background information, and solutions are given for each puzzle.
