Nina Fletcher Little : Neat and Tidy: Boxes and Their Contents Used in Early American Households before purchasing it in order to gage whether or not it would be worth my time, and all praised Neat and Tidy: Boxes and Their Contents Used in Early American Households:

0 of 0 people found the following review helpful. Neat and Tidy Boxes and Their Contents Used in Early America was exemplary!By Lynda MasseyThis little book is very concise with well chosen photographs. It was very thorough and well written. Not just a listing of types of containers but well thought out descriptions and stories with a human

interest appeal. The only drawback is that it could have been even longer! It was so well done I could have continued to enjoy it if it had been double the size it is. Great book for historians, reenactors, museum collections, and collectors. Would highly recommend. 0 of 0 people found the following review helpful. Five Stars By daniel alfi Love it! 1 of 1 people found the following review helpful. Boxes and The Lives They Lead By J. Sampson If you enjoy and appreciate early boxes, such as tea caddys, pantry boxes and band boxes. This book is for you. A wonderfully written book by Nina Little. Covers boxes that were once a part of daily life. Haints Little by Little: Six Decades of Collecting American Decorative Arts Spode's Willow Pattern: And Other Designs After The Chinese Tiffany Silver

An expert look at the evolution of craftsmanship in the American Home through wooden boxes and their diverse uses.

"An education and a delight for the collector of antique boxes." -- Booklist "Careful scholarship does not prevent it from being informative and entertaining." -- Antioch "Little has written a lively . . . narrative to accompany the 24 color plates and 190 black and white illustrations." -- Choice "Virtually every sort of box imaginable is presented in what will become a collectors' classic." -- Southern Antiques From the Publisher 6 3/8 x 9 1/8 trim. 214 illus. (24 color). LC 2001-087880 About the Author For over 60 years, NINA FLETCHER LITTLE collected and wrote voluminously about American decorative and folk arts. Her pioneering work celebrated the beauty, diversity, and utility of American antiques, and highlighted the historical and social contexts in which they were made, used, and preserved. Neat and Tidy was first published in 1980. SPNEA has also reissued her books Little by Little: Six Decades of Collecting American Decorative Arts and Country Arts in Early American Homes.
