About the Author BlackNES Guy started gaming way back in the early 90's. His very first experience with a game system was a Nintendo Entertainment System at a friend's house. Picking up a NES controller and playing ExciteBike blew his tiny young mind away. After that he begged his parents for one and then one fateful Christmas morning..... A Super Nintendo was under the tree and he has owned every single Nintendo system since that. He is a long time gamer and appreciates how things were done back in the day. Yet does love to spend some time playing some modern games, mostly racing and 3rd person shooters. Favorite game: Legend of Zelda: A Link To The Past (like there was another choice!) Favorite system: SNES Follow me on: Twitter @blacknesguy Instagram @blacknesguy
