Craig Slight, Craig Slight : New Plays From A.C.T.'s Young Conservatory Volume III before purchasing it in order to gage whether or not it would be worth my time, and all praised New Plays From A.C.T.'s Young Conservatory Volume III:

Craig Slight, ed. Volume III. For ages 8-18 years. Dramatic literature created with young performers in mind. Slight's visionary program invited seasoned American playwrights to create theater for the young artists who have trained in A.C.T.'s Young Conservatory. Each play actively engages the minds and passions of young actors. Includes: Bird of Prey by Jim Grimsley, Analiese by Lynne Alvarez, Second Class by Brad Slight and What They'll Say About Rita by Daisy Foote. Four exciting new plays by professional playwrights written for the Tony Award-winning American Conservatory Theater.

About the Author Lynne Alvarez, winner of numerous awards including the Kesselring Award in 1983. She arrived in New York planning to be a hot shot poet. She is the author of two books of poetry and her plays have been widely published and anthologized.
