HinkleBasically, just a few pages long, and nothing more than how to download the game and the rules of play. No guidance on strategy, for example. This is a pamphlet disguised as a paperback book and priced as though it were the latter. This is the biggest rip off I've ever purchased through .com.0 of 0 people found the following review helpful.

Three StarsBy Nancy S. CortrightWasn't helpful1 of 1 people found the following review helpful. Not what I expectedBy Barbara FranceNot the book I ordered. And of little use to me. Too many pages with instructions on how to set it up. All you need is an app for that! All in all a disappointment. I thought I had ordered a book with strategies. I received a book for beginners. Which I am not.
