He was happy to have received them for Christmas1 of 1 people found the following review helpful. For intermediate and advanced puzzle solversBy VickyNCAll but the last puzzle in the book were previously published on-line from 2001 to 2003. The puzzles have themes which frequently mystify me as to how the title theme relates to the particular puzzle. The designer inserts mottos and sayings that may use several lines across the puzzle and he also will change a saying using a play on words. If you do not enjoy puns then this is not the crossword puzzle book for you. The puzzles are challenging and you may need to use reference resources such as crossword heaven on-line to answer some of the more difficult clues. A real problem I have with this book which is in the "Easy" series published by Puzzle Wright Press is the organization of the answer puzzles at the back of the book. They are not in the same sequence as they appear in the book and it is frustrating trying to find the particular puzzle to check your answers. I have enjoyed working these puzzles but I think they are more challenging than the description of the book maintains. There are 72 puzzles and they are in a spiral binding which I prefer.1 of 1 people found the

By Alex I don't know what age group(s) this book is aimed at but I haven't heard of 90% of the clues given; of the ones I've been able to decipher, trying to figure out what sort of tweak the answer has (pun, irony, etc.) isn't generally easy. I love the format of the book and the hidden spiral binding is brilliant. I have a graduate degree from a tier-one private university and am no idiot. If you're looking for something by Puzzle Wright (this publisher) that is nice and easy (without being TOO easy) and relaxing, I've found the Easy as Pie book (with a lemon meringue slice on the cover!) to be quite enjoyable and am planning on trying more of that series.

If you like your crossword puzzles nice and easy, you've found the mother lode! With so much going on during the course of a day, why stress out over something you enjoy doing?
