Creating photos that merge the natural beauty of human beings with that of nature helps remind us that we are part of, not separate from, the world in which we live. May we learn to act on that important truth.0 of 0 people found the following review helpful. Star on my table...By Judy A. BernsteinRARE is rare. Viscerally real photos. Unique pairings of special people with extraordinary animals. RARE is the star on my coffee table.

RARE is the very first publication on the work of Nicole Maloney. The photographer lives in Los Angeles, home to

the celebrities she captures on film. In *Rare* she portrays reputable public figures and members of the glitterati together with an exotic animal, a juxtaposition that evokes surprising associations. With a foreword by Cindy Crawford. Extract from the list of participants: Warren Buffett, Rick Caruso, Glenn Close, Roland Emmerich, Heather Graham, Paris Hilton, Dustin Hoffman, Senator John McCain, Barry Manilow, Vidal Sassoon, Julius Shulman, Cindy Crawford, Bridget Moynahan and many more...
