BradyGames : Nier Signature Series Guide (Bradygames Signature Guides) before purchasing it in order to gage whether or not it would be worth my time, and all praised Nier Signature Series Guide (Bradygames Signature Guides):

Enough, but no too much...By kaminokaiI thought this guide worked perfectly for me.It gave me the information charts I wanted (materials, fish, etc) and a basic run-through of the game,but kept the info short and not overly detailed so I could play the game and not have things ruined for me.I used this guide as a reference, and as a walkthrough only when I got stuck. It fit my needs.I am not one of those people that relies on a guide to beat a game, but someone who'd rather find a way to beatthe game myself, and have a few pointers along the way.1 of 1 people found the following review helpful. AwesomeBy Tammy RamirezI like this game even though it's considerably long and at times difficult for a novice like me. The guide helped me tremendously!0 of 0 people found the following review helpful. Five StarsBy Natalie jonesIt was great
