I am very disappointed in the contents, as there are so many blank pages, and not a lot of pages written in English. The book as a great exterior presentation, but not sure it's worth the money.2 of 2 people found the following review helpful. Five StarsBy Samuel ShahidThe most beautiful book of the year. Incredible. A must have for anyone who loves books.1 of 1 people found the following review helpful. Five StarsBy partyThis was big and nice.. thank you..

Jean-Louis Froment plays homage to the legendary Gabrielle Chanel and her most iconic fragrance. Designed to complement the exhibit 'No.5 Culture Chanel' at the Palais de Tokyo in Paris, Froment's tome traces Mademoiselle Chanel's artistic influences and establishes Chanel No.5's integral role in the avant-garde art of the early 20th century.

About the Author Jean-Louis Froment curated the exhibit "Ndegree5 Culture Chanel" at the Palais de Tokyo in Paris. He is also the founder of the CAPC Musee d'Art Contemporain in Bordeaux and the artistic director of the Fondation Prince Pierre de Monaco.
