MISLEADING TITLE!By Louise MahonWhat a misleading title description of this book. I shipped it to my daughter in AZ who plays golf and thought this would be fun. HARDLY ANY GOLF PUZZLES OR QUESTIONS! do not purchase this book if you are looking for golf trivia!1 of 1 people found the following review helpful. Title is misleadingBy L. BrownTitle is somewhat misleading - some puzzles have no golf terms at all.

This book contains fifty original crossword puzzles. Each puzzle features its own golf-related theme such as course architects, hole names, player names, gear manufacturers, course names, player quotes, player nicknames, caddie names, or golf lingo. Only the theme entries in each puzzle are golf-related and they are usually, but not always, the longest entries in that puzzle. The rest of the puzzle is designed such that someone with no knowledge of golf can still find enjoyment in solving the puzzle.
