1 of 1 people found the following review helpful. Great puzzles.By lilyMy mother loves these puzzle books. The large print makes it easier for her to see. She loves the not so typical crossword puzzles. Would highly recommend.

This book contains fifty original puzzles guaranteed to please solvers at all skill levels. Each puzzle spells out a before-and-after phrase like ground-crew-cut or lens-cover-girl. Sometimes you'll identify the theme and use it to complete the crossing words. Other times the theme won't reveal itself until you have finished the rest of the puzzle. There are plenty of misleading clues, double meanings, and trivia questions to keep you on your toes. But overall, a good general

knowledge and an appreciation for wordplay are all that is required to enjoy the book.
