This book contains fifty original puzzles guaranteed to please solvers at all skill levels. Puzzle types include rebus, diagramless, homophones, and anagrams. Sometimes youll identify the theme and use it to complete the crossing words. Other times the theme wont reveal itself until you have finished the rest of the puzzle. There are plenty of misleading clues, double meanings, and trivia questions to keep you on your toes. But overall, a good general

knowledge and an appreciation for wordplay are all that is required to enjoy the book.
