They're not the most common kind you'll come across, so be sure to check the "Look Inside" before ordering.As a physical book, this has a nice look and feel something which can't be said of a lot of puzzle books.3 of 3 people found the following review helpful. TalibaBy TalibaI bought this for my Mom, who loves number puzzles, and I can never find them anywhere in the stores. I thought she wouldn't like them because they looked to be too easy (she is very good at them); but she likes the puzzles! She says they are much more difficult then they look; and she loves the challenge. They keep her mind busy and that was the point.0 of 0 people found the following review helpful. in puzzles, very small and simple, and not many in here. I should have read the description better, it really was more cost wise than I would consider it worth. If you have trouble with vision and need large print it works for that purpose. Wouldn't purchase again, but partially my fault for not reading description better.
