Numbricks is a fun and addicting logic puzzle game. It is very similar to Hidoku. The goal of Numbricks is to fill in the missing numbers, in sequential order, going horizontally and vertically only. Unlike Hidoku, diagonal paths are not allowed. This book is ideal for you if you already know how to solve Numbricks puzzles but you find our hard Numbricks puzzles too difficult. You will experience Numbricks 13x13, Numbricks 14x14 and Numbricks 15x15.

You get the perfect mix of different sizes of Numbricks to keep you entertained for weeks. Once you pick up this book, you won't be able to put it back down. You have been warned! Numbricks Mixed Grids - Medium is a collection of 276 puzzles: 72 medium Numbricks 13x13 puzzles 72 medium Numbricks 14x14 puzzles 72 medium Numbricks 15x15 puzzles 60 extra logic puzzles. I guarantee that every logic puzzle in this Numbricks puzzle book has been carefully checked to ensure that each puzzle has only 1 solution. None of the puzzles in this book will appear in any of the other PuzzleBooks.net books.
