**Kathleen Hamilton : O Canada Crosswords Book 6: 50 Great Weekend-size Crosswords** before purchasing it in order to gauge whether or not it would be worth my time, and all praised O Canada Crosswords Book 6: 50 Great Weekend-size Crosswords:

0 of 0 people found the following review helpful. Educational and Entertaining By Andrea Marie McKenzie I love the Kathleen Hamilton "O Canada Crosswords" because she consistently uses Canadian spelling and Canadian clues (unlike other contributors to the "O Canada" books). The entire premise behind these crossword puzzles is to provide an entertaining and educational Canadian experience to readers and Kathleen delivers.

\* Which Canadian heavyweight boxer fought Muhammad Ali? \* What Canadian ocean liner sank in 1914, losing more passengers than the Titanic? \* Can you name the highest peak in Canada? \* Which Saskatchewan town has the "world's largest grasshopper"? \* Who was the first Canadian woman to climb Mt. Everest? Drawing on Canadian

geography, culture, history, politics and even national pastimes like hockey, Kathleen Hamilton creates puzzles that celebrate Canadian identity. With their recognizable folk-art covers and uniquely Canadian content, Hamilton's O Canada Crosswords books have garnered a devoted fan base of crossword aficionados from coast to coast. This long-anticipated Book 6 contains fifty over-sized puzzles that use Canadian spellings, a sprinkling of common French words and a Canadian point of view--and they promise to inform and delight, adding to your knowledge about our country while providing hours of enjoyment.

"Kathleen Hamilton is a veritable genius at putting these puzzles together. The clues are all witty and with a Canadian view, which is a godsend to those of us who have to figure out the American clues in regular crossword puzzles. Let's face it, we may both be part of North America, but our cultures are different, our spelling and viewpoints are different, and that can make a huge difference in deciphering clues... The people of Canada just keep wanting more and more from Kathleen... This is the perfect gift for any Canadian crossword addict, and will provide hours of fun and escape from the day to day world." - Naomi de Bruyn, *Linear Reflections* About the Author Kathleen Hamilton is a passionate Canadian and self-confessed crossword addict who creates distinctive Canadian crosswords.
