**Mieke Gerritzen : Old Masters Memory Game** before purchasing it in order to gage whether or not it would be worth my time, and all praised Old Masters Memory Game:

1 of 1 people found the following review helpful. Not quite what I expected, but okay.By AntKathyI bought this to learn more about recognizing Old Masters' artwork. The game is like the little kids' game of memory, where there are paired pieces (not identical pieces) that you turn upside down, and try to match from memory. The cards are a very nice quality, but only about 2 inches square, and show just a small piece of an entire painting. Also, the painting is not identified by name anywhere, although there is a cheat sheet that tells you about the artist and his style.0 of 0 people found the following review helpful. Good quality cards and a fun twist to the traditional ...By CustomerGood quality cards and a fun twist to the traditional memory game. Ordered one as a gift and then ordered a second one for myself!0 of 0 people found the following review helpful. Three StarsBy Judith ZawodniakIt was stolen from my stoop, apparently.

Old Masters Memory Game collects the most famous and beloved portrait painters from the 16th and 17th centuries in one game that is fun to play, educational, and a feast for the eyes. The task, as always, is to collect two portrait paintings by the same painter.

About the AuthorMieke Gerritzen is a designer, producer and the director of the Dutch Museum of the Image (MOTI). The design is done by her, so be assured that it carries her signature style of highly energetic visual typography.
