Dennis W Allman : One Hand Pinochle: A Solitaire Game Based on the Game of Two Hand Pinlochle before purchasing it in order to gage whether or not it would be worth my time, and all praised One Hand Pinochle: A Solitaire Game Based on the Game of Two Hand Pinlochle:

1 of 1 people found the following review helpful. A Really Fun Game of Solitaire!By John LThis is a really good,

solid version of solitaire. I found the book a little confusing, but a careful reading showed me that it's all there. I haven't played Pinochle for 30 years or so and that no doubt was the cause of my confusion. The main irritation is having to draw a lot and keep up with how many cards you are holding. You also aren't able to meld all at once, so there that to keep up with as well. But all in all, I've enjoyed the game tremendously and hope Dennis Allman creates some more solitaires.

A Solitaire Game for Pinochle Players One Hand Pinochle is the first in a series of solitaire card games based on multi player card games rather than the standard solitaire rules. This game is designed for two classes of card player. 1. The solitaire player looking for something different from the typical solitaire game. 2. Pinochle players looking to play their favorite game when there are no extra players available. This game is presented in this book in four parts designed to give the reader as full a view as possible before playing it for the first time. 1. The individual details of the game. 2. The complete official rules of the game. 3. Simple trick play strategies for winning hands. 4. A glossary of One Hand Pinochle terms. One Hand Pinochle is the first in a series of games that will revolutionize solitaire card play and bring it as close as possible to multi player card play.

About the Author Dennis W. Allman is a game designer, software programmer and science fiction / western author whose game creating specialty lies in solitaire card games based on multi player card games and computer card games.
