Damian Lemos : Opening Repertoire: The Fianchetto System: Weapons for White against the King's Indian and Grnfeld (Everyman Chess) before purchasing it in order to gage whether or not it would be worth my time, and all praised Opening Repertoire: The Fianchetto System: Weapons for White against the King's Indian and Grnfeld (Everyman Chess):

0 of 1 people found the following review helpful. Five StarsBy Gabriel Adrian RomanelliExcelente0 of 3 people found the following review helpful. Five StarsBy Steve Hendersonvery good and readable.3 of 9 people found the following review helpful. Strong author, boring recommendationsBy ChrisDL is.a good player, but I like his videos better than this book. The suggested lines seem tame in this book. No risk of losing, but small chance for advantage. Mostly forgettable repertoire...how am I supposed to use this in a U2200 tourney? Players will not play into these lines exactly...and passive plans don't inspire me.

Grandmaster Damian Lemos presents a repertoire for White against both the King's Indian and Grnfeld defences. Many players struggle to find suitable lines to challenge these two popular and dynamic openings, or find the masses of theory in the main lines difficult to digest. Lemos solves this perennial problem by advocating a solid system of development based on the fianchetto system, where understanding ideas is more important than move memorization. By playing a very early g3 and Bg2, White protects his kingside, denies Black much of the counterplay typically associated with the King's Indian and Grnfeld, and creates long-term pressure on the queenside. Lemos's choices in this book are largely based on his own repertoire he used on the way to becoming a Grandmaster. Using illustrative games, Lemos examines the typical tactics and strategies for both sides and highlights key move order issues. This book tells you everything you need to know about playing the Fianchetto System against the King's Indian and Grnfeld.

About the AuthorDamian Lemos is a Grandmaster from Argentina. He is a former Pan-American Junior Champion and was only 18-years-old when he qualified for the Grandmaster title. He's an active tournament player and also trains students at Onlinechesslessons.net.
