**Martin Lokander : Opening Repertoire: The Open Games with Black (Everyman Chess)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Opening Repertoire: The Open Games with Black (Everyman Chess):

0 of 0 people found the following review helpful. Five StarsBy Douglas McMickleExcellent book!!13 of 17 people found the following review helpful. Outstanding repertoire for Black 1.e4 e5By MartinThe repertoire centers on three chapters on the Two Knights' Defense (no Giuoco Piano). Against King's Gambit he accepts and plays 3...Nf6. Of

course it covers the other open games such as the Scotch (three chapters), Vienna etc. I never heard of the author before. I like his selection of variations and his writing style. I actually prefer this book slightly to Bologan's Black Weapons (superb) and Marin's Beating the Open Games (outstanding). I frequently compare Lokander and Bologan.5 of 14 people found the following review helpful. Five StarsBy Dr. Manuel MonasterioAn excellent update to a whole range of openings, very thoroughly researched and including a large bibliography. Highly recommended!Dr.Manuel Gerardo Monasterio (IECG Master)

1...e5 enjoys an excellent reputation as a reliable defense against White's most popular opening choice, 1 e4. However, anyone who is primed to face the Ruy Lopez must also be prepared to face a number of White alternatives. This collection of variations make up the Open Games and include not only popular choices such as the Italian Game, Scotch Game, Bishop's Opening, King's Gambit, Vienna Game and Four Knights, but also many tricky sidelines and some wild and wacky gambits. Many of these might not be theoretically strong but can be both daunting and dangerous for the uninformed player. In this book, FIDE Master Martin Lokander tackles all these lines head on and presents a practical repertoire for Black in the Open Games. This book tells you everything you need to know about facing the Open Games when White avoids the Ruy Lopez. \*Essential reading for 1...e5 players\*Every opening bar the Ruy Lopez is covered\*Packed with new ideas and critical analysis

About the AuthorMartin Lokander is a young FIDE Master and has represented Sweden three times at the World Youth Chess Championships. He's an active tournament player and a regular writer for the Swedish chess magazine Tidskrift for Schack.
