Remembering it all will be a challenge though when I'm playing. This book is meant for intermediate players, not for advanced, for whom it is too basic.0 of 0 people found the following review

helpful. I just wanted another copy of this excellent teaching book by Audrey GrantBy Ms.FirebirdI just wanted another copy of this excellent teaching book by Audrey Grant. The book itself was in good condition EXCEPT the many full page quizzes all had answers penned in (in pencil so I could erase them but it was very time consuming).0 of 0 people found the following review helpful. Great for a beginner or intermediate bridge player!By fanAll of Audrey Grants books are exceptional and easy to follow. Full of information.

The first bid in a bridge auction impacts the bidding, play and defense of the entire deal. There's more to valuing a hand than adding up the high-card and length points. This book shares tips to improve your judgment and help you make better decisions when you are in a position to open. It includes the Guidelines of 15 and 20, light opening bids, pre-emptive bids and strong 2 Clubs, and more.
