From Idea Design Works Llc : Orphan Black: The Card Game before purchasing it in order to gage whether or not it would be worth my time, and all praised Orphan Black: The Card Game:

Orphan Black introduced viewers to a world where human cloning is a hidden reality but everyone's motive is in question. In the Orphan Black card game players will be part of one of three different factions secretly working against each other to complete goals in a world where nothing is what it seems. This game of deduction and deception will have you battling for freedom, or destruction of the clones themselves!
