From Ingramcontent : Osmos Magazine: Issue 09 before purchasing it in order to gage whether or not it would be worth my time, and all praised Osmos Magazine: Issue 09:

Osmos Magazine is an art magazine about the use and abuse of photography, explains founder and editor Cay Sophie Rabinowitz (formerly of Parkett and Fantom). The magazine is divided into thematic sections--some traditional, such as Portfolio, Stories and Reportage--and others more idiosyncratic, such as Eye of the Beholder, where gallerists discuss the talents they showcase; and Means to an End, about the side effects of nonartistic image production. This issue features Tom McDonough on Joy Episalla, a conversation with Gillian Wearing about her 20 years of making Polaroid self-portraits, an essay by Pavel VanDt on Jan Svoboda, Meleko Mokgosi, David Hart, Robert Rauschenberg,

and a special vintage cover by Co Rentmeester.
