By Kindle Customer I'm very happy to add the mini mortar pestle to my Outlander collection... They are good quality and a great choice as a symbol of the series. The "32 page book of quotes and images from the TV show" leaves a few things lacking... in fact getting a few of the quotes from the Starz TV show wrong. The images are well chosen and sure to be enjoyed by fans. I'm happy to have the 'wee book' but was disappointed in the lack of detail in the quotes when the Outlander TV show is so well done and true fans, like myself, should be fully aware of these inconsistencies. When there are 13 quotes "from the TV show" included... they should be correct. These were not: Pg. 7, JAMIE: "You're a kind woman. With a good touch. And your husband is a lucky man." ... There is no 'And' before "Your husband is a lucky man." (Episode: Castle Leoch) Pg. 10, DOUGAL: "I think it would be wise to take a healer along, especially one that does well under strain and there's a lot of that on the road." ... The quote is to "have a healer along", not "take". (Episode: The Gathering) Pg. 12 JAMIE: "I give you my obedience as kinsman and as Laird and hold myself bound to your worth so long as my feet rest on the lands of the clan MacKenzie." The quote is "hold myself bound to your word", not "worth". (Episode: The Gathering) Pg. 16 JAMIE: "There's no joy in falling a dead man." The quote is "There's no joy in flogging a dead man." (Episode: Castle Leoch) Perhaps if there is another printing, the errors can be corrected. 3 of 3 people found the following review helpful. Buy it for the little book! By Morgaine Swann When they say mini, they're not kidding! it's tiny! The best thing about it is the gorgeous little picture book that comes with it. You won't be mixing any potions with this little thing, it's just a collector's item, albeit a very cute one. 4 of 4 people found the following review helpful. Love it! By Matessa Worth the wait! I pre-ordered in August (because ... Jamie, LOL) When they said "mini" they meant it. But it's really well made and a nice collectible.

An Outlander officially-licensed, mini-size mortar and pestle set.
