following review helpful. Good book By Dalbir S. I chose this rating because it does not have a lot of information on passing that is why I have this review

The FIFA 17 Guidebook is a consummate strategic manual for the EA FIFA 17 Title. It is an essential read for any FIFA gamer that wants to improve his understanding of the facts defining the beautiful game as played on the console. The FIFA 17 Guidebook is to a large degree an expansion of my previous book titled "The FIFA 16 Guidebook". The series is written to help facilitate playing FIFA by learning. More is added to this year's edition. More on formation analysis, on methods that are proven to boost your in game performance and match win streak, and on logical and scientific explanations and data that support the methods discussed in the Guidebook. The Guidebook is aimed at a wide audience of readers including soccer coaches, soccer lovers, soccer players at all levels, interactive soccer players, soccer personnel and officials, and soccer inclined Mom's and Dad's. From the basic knowledge that define the right methods of attacking, scoring, and defending, to a complete detailed analysis of every FIFA formation and a comprehensive discussion of every method; The FIFA 17 Guidebook is a hand manual and companion book that every serious FIFA gamer must own.

About the Author Adedola Fagorala is a Civil Engineering graduate student at the University of Southern California (USC) in Los Angeles CA USA. He is a B.Eng holder in Civil Engineering and earned it at the San Francisco State University in San Francisco CA USA. He is an ardent Soccer lover, and a prolific FIFA player. Adedola Fagorala has been playing Soccer video games for over 25 years now. He started playing Soccer video games as early as the release of Super Soccer or Super Formation Soccer on the Super Nintendo, and he has played almost every edition of the FIFA series since the first edition of FIFA International Soccer. He has additionally played many other Football video game series like Pro Evolution Soccer since its initial commencements of Konami Hyper soccer, International Superstar Soccer and International Superstar Soccer Deluxe. Adedola Fagorala has vast knowledge and experience in playing the game of outfield Soccer since he was as young as five. He has learnt to play multiple positions on the pitch including Goalkeeper (GK). He now has over 20 years of playing experience in soccer having played at amateur, varsity high school, college, and semi-pro levels. He has seen the finest side of the game in these 20 plus years, he has played high level Soccer, and he knows a lot about the game to help you improve in playing FIFA. Adedola Fagorala continues to be involved in playing and following the sport of soccer because of his love for the game. His Soccer erudition, knack for Soccer videogames, and experience in the game of soccer is the result of this FIFA 17 Guidebook.
