**Oswald and Albert Morehead Jacoby : The Fireside Book Of Cards** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Fireside Book Of Cards:

Foreword by Howard Dietz and an afterword by Charles Goren. A compilation of everything playing cards includes fictional stories, poetry, and news reports that all make for great card table banter. As well as including instructions on how to play most card games this book includes paintings, cartoons, illustrations, and photographs detailing the influence card games have in every social circle around the globe. Wear and soiling on dust jacket as well as small tears on the back of dust jacket. xvi, 364+ 1 pages. quarter cloth, paper-covered boards, dust jacket. 4to..
