Pat Murphy : The Flowing Tide: More Irish Set Dancing before purchasing it in order to gage whether or not it would be worth my time, and all praised The Flowing Tide: More Irish Set Dancing:

0 of 0 people found the following review helpful. Five StarsBy alwaysastudentA good book for fun sets, but way overpriced.2 of 2 people found the following review helpful. Obscure Irish set dancing book was easy to getBy A CustomerAmazing! This obscure book about Irish set dancing was available through .com. Even though it came from

a seller in Europe, it was reasonably priced and arrived quickly and in excellent condition.

This book is the sequel to the highly successful *Toss the Feathers*, providing a selection of set dances, including some danced in the United States and Canada, to complement the previous volume. It includes dances that have been revived since the publication of *Toss the Feathers*, among them old traditional sets and some sets more associated with competition set dancing. The sets are laid out in conventional set terminology and can be easily followed by teachers, pupils and anyone who has an acquaintance with the art of set dancing.
